

CITY OF LODI

COUNCIL COMMUNICATION

AGENDA TITLE: Set Public Hearing for November 5, 2003, to Consider Intention to Vacate Public Street Right of Way at 30-60 Neuharth Drive and 1800-1901 Ackerman Drive, a Portion of "Maxwell Industrial Park"

MEETING DATE: October 1, 2003

PREPARED BY: Public Works Director

RECOMMENDED ACTION: That the City Council set a public hearing for November 5, 2003, to consider the intention to vacate Neuharth Drive and a portion of Ackerman Drive, all being a part of the Maxwell Industrial Park. The area of the street easement to be abandoned is depicted on Exhibit A.

BACKGROUND INFORMATION: This street easement abandonment has been requested by the owner of 30-60 Neuharth Drive and 1800-1901 Ackerman Drive to facilitate integration of food manufacturing operations into a single industrial compound.

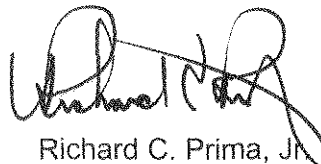

The owner is aware that certain public facilities (i.e., street improvement, storm drain inlets, fire hydrants, etc.) will revert to private ownership, and the owner has agreed to assume all maintenance responsibility. Numerous utility main lines exist in the street and the entire right-of-way would be retained as a public utility easement. The owner is aware that dedication of right-of-way and construction of a new cul-de-sac is required to establish required truck circulation on Ackerman Drive and the intersection of Neuharth Drive at Stockton Street will be converted to a driveway. Please see Exhibit A.

The owner has agreed to dedicate all required new public utility easements and relocate any utilities at his expense.

While our design standards would not normally permit a cul-de-sac in an industrial area, they are allowed with Planning Commission and City Council approval. Staff notes that Maxwell Street, which serves the north end of this area, was originally built as a cul-de-sac. One other (Mounce Street) currently exists in the City.

The owner has paid the required fees to process this abandonment. Affected utilities are being notified of this proposed abandonment, and their approval will be required prior to the final action.

FUNDING: Not applicable.
